He bases his application on the ground that a rate Treasury Officer has been recently appointed.

Hitherto the Muniff being in charge, this want was met from his <sup>Country</sup> establishment; and prior to that the Assist. Commr's in charge was allowed 3

drawn from the Hassan  
and Mangarabad Taluk  
and one from the Dy Commr's  
Office. But that now <sup>that</sup>  
the work of the Dist. Office  
and Taluk Cutcherries  
having considerably in-  
creased, this arrange-  
ment cannot be re-  
verted to.

2. The Deputy Comr  
was thereupon informed  
that ~~there~~ a separate  
establishment was not  
allowed for any of the  
other District Treasuries  
except Bangalore and  
Mysore, and that he  
had not made out a  
case for special consi-  
deration in this respect  
for his District.

3. Mr. Purnaya has  
replied that no such  
application would have  
been submitted if the  
Treasury Officer held  
charge of the Treasury

L.R. 46-79.

as a secondary charge  
in addition to holding charge  
of an independent office  
as an Asst. Commr.,  
Mysore &c. He adds that  
this is the first time a  
separate officer has been  
appointed exclusively for  
the Treasury as a main  
charge; that provision  
exists for attendants in the  
office, but that sanction  
is solicited for personal  
orderlies to the officer, a  
consideration which has  
to be shown to him as  
is done to all other officers  
of a similar status.  
And concludes by saying  
that the scheme of separa-  
rate officers having  
been newly sanctioned  
by Govt., this establish-  
ment becomes a ne-  
cessary part of the  
scheme.

ury officer, whether (1) in  
his capacity as such  
and (2) otherwise; and  
asking for opinion as  
to the sufficiency or other-  
wise of such number.

5. Replies have been  
received and are tabulated <sup>+</sup> Vide Tabular Statement  
below. It will be seen  
that with the exception of  
Bangalore, Kolar & Mysore,  
none of the other District  
Treasury officers have  
persons on their office Estab-  
lishment Rolls in their  
capacity as Treasury  
Officers, orderlies having  
been lent to them from  
the Deputy Commr's office.

The Deputy Commissioner

orderly, and both he &  
the D.C. of Chitalarog  
recommend the enter-  
tainment of 2 Dalogets  
and a Masalechi or

The Junior Dy Commr  
considers the present es-

Mr. Rangaswamy

The former also suggests the appointment of a sweeper.

6. The Deputy Com<sup>rs</sup> of Mysore, <sup>Kannur</sup> and Nadur have however not reported if the Treasury Officers of their Districts have or clerks attached to them in their other capacities. The two last named however have at least one each in their capacity as ex-officio Registrars.

2. The D.C. of Bangalore shows one person as being attached to the Treasury Office in his capacity as Registrar. This ~~may have been sent to him for the Dist. Office & may require to be made.~~

8. The above replies of the Deputy Commissioners being vague and incomplete, the Dy. Comrs of Districts except Bangalore and Tumkur were again requested to state precisely the no. of persons that are attached to the District Treasury Officers in their Capacity as Magistrates, District Registrars, Municipal Vice Presidents and Officers doing Excise and other duties.

9. Answers have been received and are tabulated below. It will be seen that all the District Treas. Officers have each a person attached to them in their Capacity as Magistrates, and a person <sup>said</sup> as Registrars, except the Treas. Officer of Hassan, who has a person only in his Capacity as District Registrar. As Vice Presidents of the Municipalities, the Treasury Officers

Shimoga have each a  
peon from the Municipality,  
the latter having <sup>another</sup> a peon  
besides as Jail Superin-  
tendent.

The Dy Commr, Bangalore,  
recommends to take away  
the Police Orderly and give  
a Duffedar instead, as  
also a Sweeper in addition  
to Masalchi; while the  
Dy Commr of Mysore, reports  
that his Distt Tray: Officer  
requests sanction to a  
Duffedar to the Treasury  
as is allowed to the General  
Assistant Commissioners.

The Dy Commr, Kolari,  
solicits sanction to the  
entertainment of 2nd hala-  
yats on Rs. 7 and 6/1 res-  
pectively and of a Masal-  
chi or Sweeper on Rs. 6/1  
per mensem.

The Dy Commr of Tumkur,  
states that, though the  
Treasury

Treasury Officer of his  
District has no establish-  
ment in his Capacity  
as such, yet he is allowed  
3 peons from the District  
Office. The Tray: Officer  
has also a peon as -  
Magistrate, a peon as  
Distt Registrar, and a  
peon as Vice President  
of the Municipality. This  
no of peons together with  
the 2 Gollars working  
in the Tray: itself, the Dy  
Commr considers suffi-  
cient, and does not  
apply for more.

The Dy Commr of Hassan,  
and Chitaldrug recom-  
mend that a per menial  
Establishment of the  
strength noted below  
be sanctioned to their  
Tray: Officers: -

recommends <sup>the establishment of</sup> 3 peons and a sweeper being sanctioned to the Treasury Officer of Shimoga, while the Treas. Officer himself in his memo to the Dy. Commr applies for:-

1. Duffedar
4. Peons &
1. Masalchi

The Dy. Commr of the Kader district applies for only 2 peons being sanctioned to the Treas. Officer of his district.

Dated Hapand 27<sup>th</sup> November

From  
The Manupia's

To  
The High Secretary to the  
Govt of Mysore

Sir,

I have the honor to state  
that as the Unisiff had his own  
Establishment while in charge  
of the Treasury, there was no  
necessity to indent for an extra  
Establishment for the Treasury.  
Now a separate officer having  
been appointed, the necessity for  
providing him with a sufficient  
Menial Establishment is keenly  
felt.

2. In 1879, when the Establishments  
in the district were revised, the  
Assistant Manupia's in charge

three peons, two of whom  
were drawn from the Hapur  
& Mainpuri Taluk and  
the third was given from among  
the peons of the Dy Commissioner's  
office. The work in the District  
office and in the Taluk  
having considerably increased  
since 1879, the Taluk officials  
are put to inconvenience  
for want of sufficient estab-  
lishment and now require  
being brought to notice of their inconve-  
niences. Hence the former course  
cannot now be adopted. I  
therefore request that you  
will be good enough to obtain  
sanction of Government for a  
separate establishment of Muzil

24  
servants for the office of the  
newly appointed Treasury  
Officer as per scale shown  
below:—

|             |         |
|-------------|---------|
| 1. Duffian  | Rs 7    |
| 2. Peon     | 6 Annas |
| 1. Muzilchi | 6       |
| Total       | Rs 25   |

3. The above establishment is  
absolutely necessary in as  
much as two of them will  
always be required for duty  
in the office and the third be  
in waiting on the Treasury  
Officer. The present Muzil estab-  
lishment of the District office  
being limited, there is hardly  
any margin for sparing any  
for the Treasury Officer.

I have also to request sanction for purchasing the marginally noted furniture for the use of the Treasury Officer.

From  
L.R. 46-79-8 P. H. Purnaiya Esquire.  
Dy Commissioner  
Hapur District,

To,  
The Chief Secretary to the  
Government of Mysore,

Sir,  
With reference to your  
Docket No.  $\frac{1313}{28}$  dated 22<sup>nd</sup> April  
1892, observing that no case  
has been made out for sanction-  
ing an Establishment of orderlies  
to the Treasury Officer, because,  
excepting in Bangalore & Mysore  
Treasury Officers elsewhere  
had no such Establishment  
allowed, I have the honor  
to state that no such separate  
Establishment would have  
been found necessary if  
the Treasury Officer held

Secondary charge in addition  
to holding charge of an inde-  
pendent office as a Revenue  
Officer and a Magistrate, or  
Munsiff or a Sub Judge.  
Such has been invariably  
the case in this District  
hitherto. To the best of my  
information this is the first  
time a Separate Officer has  
been appointed exclusively  
for the Treasury as a main  
charge. Provision exists for  
attendants in the Office but  
what is solicited is sanction  
for personal orderlies to the  
Officer. This consideration  
has to be shown to an Officer  
of his position in as much  
as personal orderlies are  
allowed for all such Officers.

The Scheme of Separate  
Treasury Officers having  
been newly sanctioned  
by Government, this Establish-  
ment becomes necessary  
part of the Scheme. I therefore  
beg to request that the appli-  
cation may be favorably  
reconsidered. -

I have the honor to be,  
Sir,

Your most obt. Servt.

Sir,

With reference to your  
Docket No 23292-8 of the 26<sup>th</sup> ultimo,

enquiring how many orderlies are  
attached to the Treasury Officer of  
this District, I beg to report that a  
Duffadar and two Dalayats have been  
attached to him from the District  
Office. As a Magistrate he has a  
Police Constable. As District Registrar,  
he has a Dalayat of the Registration

President he has an orderly from  
the Municipal Department. In the  
Treasury itself there are two menial  
servants, namely the Gollers. Thus  
he has eight menial servants attached

sufficient. When I was the Treasury

Sir

With reference to your docket no.  
 $\frac{13242-8}{2948}$  dated 26<sup>th</sup> Ult, inquiring as  
to the sufficiency or otherwise of orderlies  
attached to the District Treasury  
Officer, I have the honor to state that  
the Treasury Officer has no person  
in his capacity as such but, that one  
person <sup>has been</sup> sent from this office.

I am of opinion that two  
orderlies are absolutely necessary  
to the Treasury Officer, and request  
their entertainment may be sanc-  
tioned, when the present orderlies

may be returned to this office as  
his absence causes much incon-  
venience.

I may mention that formerly,  
when the Munsiff had charge of  
the Treasury, no inconvenience  
was felt owing to his holding  
the dual office and so utilising  
the peons of the one for the other.

- (1) Is no Police Orderly

- (2) Is there no peon

to the Registration Department but none  
to either the Excise or Municipal Depart.  
ment as none was sanctioned for  
the former and as he is not the Vice  
President of the Hapur Municipality.

2 — Further states that the Treasury  
officer has no orderly whatever in his  
capacity as Treasury officer. A Peon  
from the District Office Establishment  
is given to him for work in office as  
usual and one of the orderlies of the  
undersigned has been lent to him tempo-  
rarily. It will therefore be seen that  
with the exception of a Peon attached to  
the Registration Department he has  
none as Treasury officer and a transfer  
signed is put to inconvenience by one  
of his own orderlies having been given  
away though temporarily, to that officer  
from his already small establishment  
of Peons.

3 — Under these circumstances,  
the undersigned is of opinion that the  
only Peon attached to the Registration De-  
partment is insufficient and that there-  
fore the Establishment recommended in  
this office N<sup>o</sup> 559 Dated 15<sup>th</sup> November 1892  
is absolutely necessary. The Peons work in the  
office and the orderlies are understood per-  
sonal attendants on the officer.

 Orderlies are attached to the

lishment, as he is the Jail Superintendent and Vice President also.

3. I regret to be compelled to differ from him in thinking that the five men, he has, are not sufficient for his work.

4. Often I hear clamours for want of peons, a number on the District Establishment being lent to the Treasury office and certain higher ministerial officials. At times I feel the want myself in my constant movements.

5. There is only one sweeper in the District office and he can scarcely cope with the work single handed.

6. Another sweeper and three more peons will, I think, improve matters considerably.

1. At present there are three peons. These do not belong to the Treasury but District Office Establishment.

2. In my opinion, the above number is quite insufficient to attend to both the Court and the Treasury work. Where as in the 1st and 2d Assistant Commissioner's Courts there are 6 and 5 peons including Mashalji and Lasear respectively.

Neither a sweeper nor a Mashalji is attached to the Treasury. This has experienced good deal of inconvenience in keeping the office clean.

It is a well known fact that the Treasury work is heavy and more important.

There are very many papers to  
transmit to various depart-  
ments daily every now and  
then. Thereby needs the number  
of peons and Daffedar in-  
cluding a Mashalji equal  
to that of other Assistant  
Commissioner's Courts i.e. one  
Daffedar, 4 peons and one  
Mashalji.

As a jail Superintendent  
one orderly is attached.
